COMPOSITE WEIGHT LOADERS

NIHAL RUBBER
INDUSTRIES

*Reliable Base Weight Solutions for
Decorative & Functional Products*

Nihal Rubber Industries manufactures composite weight loaders designed for stability, balance and functional support across a wide range of decorative and industrial applications.

Our products are manufactured with focus on strength, durability and consistent performance to meet various business requirements.

APPLICATIONS

Candle Holder Loaders

Furniture & Lamp Base Loaders

Coffee Table Loaders

Floor Lamp Loaders

Table Lamp Loaders

RUBBER WIPER STRIPS

Precision Sealing. Reliable Performance.

Our rubber wiper strips are engineered for effective sealing, protection and smooth performance in a variety of applications. Manufactured using high quality rubber compounds, they offer excellent resistance to wear, weather, ozone and chemicals.

We deliver durable, flexible and cost-effective wiper strip solutions tailored to meet diverse industrial needs.

APPLICATIONS

Rubber wiper strips are generally used with rest of the components to make a complete rubber wiper for automotive.

NIHAL RUBBER
INDUSTRIES

CERTIFICATIONS & QUALITY ASSURANCE

Committed to Quality, Reliability & Manufacturing Standards

Nihal Rubber Industries follows a quality-focused manufacturing approach to ensure consistency, durability and dependable product performance.

Our manufacturing process is supported by business documentation, product standards and quality-oriented production practices to maintain customer trust and long-term supply relationships.
